Phil & Laurie

Carousel is the second musical by the team of Richard Rodgers and Oscar Hammerstein II. The 1945 work was adapted from Ferenc Molnár's 1909 play Liliom, transplanting its Budapest setting to the Maine coastline. The story revolves around carousel barker Billy Bigelow, whose romance with millworker Julie Jordan comes at the price of both their jobs. He participates in a robbery to provide for Julie and their unborn child; after it goes tragically wrong, he is given a chance to make things right. A secondary plot line deals with millworker Carrie Pipperidge and her romance with ambitious fisherman Enoch Snow. Voted best musical of the 20th century by Time Magazine, Rodgers and Hammerstein's Carousel features some of the most powerful music ever written for the stage. Through narration and song, Phil & Laurie present this timeless classic.
